increase in production of oilseeds to 25.01 million tonnes. While efforts are being intensified to raise production and productivity of oilseeds, the gap between domestic production and consumption requirement will be met through imports of edible oils.

Fishing harbour at Malpe, Karnataka

1044. SHRI JANARDHANA POOJARY: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that Government had accorded approval for construction of the 2nd stage of the fishing harbour at Malpe, Karnataka;

(b) if so, the details thereof;

(c) whether it is a fact that the State Government intimated revised estimates of the project and sought Centre's approval for the same; and

(d) if so, Government's reaction thereto and the present status with regard to release of its share towards the project?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTI LAL BHURIA): (a) and (b) Yes, Sir. The Union Government, in February 1996, had accorded approval to the proposal of Government of Karnataka for construction of Stage-II fishing harbour at Malpe at a total cost of Rs. 1196.70 lakhs under the Centrally Sponsored Scheme (CSS). The entire Central share to the tune of 50% amounting to Rs. 598.35 lakhs has been released to the State Government by September, 1999.

(c) and (d) Yes, Sir. The Government of Karnataka has submitted Revised Cost proposal for construction of Malpe Stage-II fishing harbour with a cost escalation upwardly from Rs. 1196.70 lakhs to Rs. 2160 lakhs. The proposal received in this regard from the State Government *vide* their letter dated 29.6.2004 has been re-examined in light of the provisions of the CSS and the State Government has been requested to submit a detailed revised project report addressing relevant aspects for such cost escalation.
